

# Auszug aus dem Trauregister der St.-Gertrudis-Pfarre zu Essen 1691-1766

46 Seiten Maschinenschrift im Stadtarchiv Essen  
Das Original-Trauregister wird aufbewahrt im  
Archiv der Münsterkirche in Essen.  
Auszug angefertigt von Oberlehrer Wilh. Korth  
1940

## Meine Vorbemerkungen:

In diesem Auszug gibt es viele Namen in mehreren verschiedenen Schreibweisen. Dies kann unterschiedliche Gründe haben:

- Es kann sich um verschiedene Personen handeln (wie wir es gewohnt sind: Meier und Meyer sind heutzutage ganz sicher 2 verschiedene Personen).  
  
Möglich ist aber auch:
  - Der registrierende Pfarrer hat den Namen so geschrieben, wie er meinte, dass er geschrieben werden müsste – und ein paar Jahre später hatte er dazu eben eine andere Meinung. Die Brautleute dürften überwiegend des Schreibens oder Lesens nicht mächtig gewesen sein. Selbst von Goethe-Superstar ist bekannt, dass er ein und dasselbe Wort sogar auf derselben Seite unterschiedlich geschrieben hat – es gab ja noch keinen „Duden“ – himmlische Zeit für Legastheniker!
  - Und dann ist da noch das Problem beim Abschreiben bzw. Abtippen (Herr Korth musste die Einträge ja erst auf Zetteln erfassen, bevor er sie sortierte und abtippte):  
Herr Korth hat sich beim Abschreiben der manchmal schwer zu entziffernden Namen „verlesen“. So hat er denselben Eintrag an 2 verschiedenen Stellen mit verschiedener Schreibweise erfasst. Beispiele (alle anderen Teile des jeweiligen Eintrags sind identisch!): *Brock/Brauck*, *Paus/Pauß*, *Meinrinck/Steinrinck*, *Culman/Tulman*, *Brandt/Franz* ...
- Herr Korth oder ich – einer von beiden hat sich vertippt.

**Darum ist jegliche Gewähr ausgeschlossen!!!**

## Nutzungshinweise:

Suchen Sie in dem Dokument mit dem Suchbefehl („Bearbeiten -> Suchen“ oder Strg + f) und geben Sie nur Teile des gesuchten Namens ein bzw. tauschen Sie einzelne Buchstaben aus.

Auf Wunsch schicke ich gerne das von mir erstellte Foto der Originalseite.

Viel Erfolg beim Forschen!  
Heinz Hammacher
